

CONWAY Electric SUV "Cairon C 4.0 B RBN" (#1)

wave, 27,5", aubergine matt, 5-speed SHIMANO "Nexus", 49 cm / L

RRP €4,299.95

Whether on a bike path, at the weekly market, or on a longer ride through the countryside, the Cairon C 4.0 B shows its character not through grand gestures, but through quiet confidence. It feels like an e-bike that makes everyday life easier without adding a sporty edge. The Bosch motor provides noticeable assistance when headwinds or longer distances take their toll, yet remains pleasantly unobtrusive. Straps, Suspension Fork, Fenders, Pushing Help, and Coaster Brake all come together to create a package designed for comfort, control, and practical use. It's a mature form of mobility: safe, clean, down-to-earth, and modern. This doesn't turn every trip into an adventure, but it often makes for a more relaxed choice.
