

CONWAY Electric MTB full suspension "Xyron ST 4.0" (#3)

full suspension, 29", olive matt / black matt, 12-speed SHIMANO "Deore", 42 cm / M

RRP €4,499.95

The Xyron ST 4.0 is an e-full-suspension bike with a hunger for trails. 150 mm of front and rear suspension travel provide plenty of room for roots, steps, and fast forest sections, while the Bosch motor makes the next climb noticeably easier. The handling remains direct and accessible: turn in, maintain pressure, and push off again. On flowing trails, rough gravel, and technical sections, it feels controlled yet lively—always with plenty in reserve. It's not just about grip, movement, and that great feeling when the bike works beneath you and the trail suddenly lets you pick up speed.
