diamond, 28", offwhite matt / black matt, 12-speed SHIMANO "GRX Di2", 48 cm / M

RRP: €4,999.95

The Nyvon 10.0 CF isn't about a leisurely ride—it's about range with a kick. The Bosch SX drive remains responsive and provides a boost exactly when speed or an incline demand it. The flat-bar handlebars ensure an upright, controlled riding position and strike a balance between sporty propulsion and confident visibility in city traffic.Whether commuting between the office and the train station, riding along the river, or taking a gravel detour, this e-gravel bike is designed for people who want to get around efficiently and enjoy being outdoors. The 28-inch wheels make the distance fly by, while the hydraulic disc brakes keep you in control. An urban sports bike with the horizon as its vanishing point.
