

CONTEC Helmet "Verona"

polar white, size L (58–63 cm)

RRP: €79.95

For e-bikes with speeds up to 45 km/h, certain guidelines apply regarding bicycle parts and Accessories. The CONTEC Verona helmet has the required NTA 8776 certification for S-pedelecs, which it earned in part thanks to its large, clear Visor. This Visor protects your eyes from insects flying toward you, for example.This modern commuter helmet features an elegant design with matte paints. It's constructed from a lightweight in-mold micro-shell plastic shell with a thin EPS inner shell. You can easily adjust the Verona's size (both height and width) using the XY-Sizer on the back.The CONTEC Verona is made largely from recycled materials. For example, the straps are made from recycled PET water bottles, the visor is made from ocean plastic, and the paints are water-based.

Basic Data

Supplier Article Number:	SK-614 58-63 WHITE
EAN	4251971190276
MSRP:	€79.95
Fedas-Code	160921
Bidex-Code	406030
SB-Article	Yes
DST-Code	3F04
Brand/Supplier	CONTEC
Unit of measure:	PIECE

Technical Data

Adjusting system	Twist2Lock
Certification	EN 1078
Closure system	buckles
