

CONWAY Electric allroad "Nyvon 12.0" Mod. 24

diamond, 28", rustred matt / terra matt, 12-speed SRAM "Force AXS", 51 cm / L

RRP: €5,899.95

Nothing can stop you—no trail, no mountain, no distance. The “NYVON 12.0” is our top-of-the-line model and the best possible companion for your tours, weekend getaways, rides, and adventures.With the speed and handling of a pure gravel bike and the smooth, gentle support of the Bosch SX engine, it combines the best of both worlds: power and assistance when you need it, plus feather-light, effortless cruising wherever possible. During normal riding, you won’t even notice the engine or the extra weight of the electronic assistance—you’ll ride your bike just like a regular gravel bike. Only when the trail gets steeper and you want to take the strain off yourself does the engine kick in to help, and it also helps you maintain your flow on varied terrain.By the way, you can mount your “NYVON 12.0” at up to 5 mounting points on the bike—one of which also serves as an approved mounting option for the Bosch Range Extender.

Basic Data

Supplier Article Number:	B-02830103
MSRP:	€5,899.95
WEEE registration number	DE92509320
Fedas-Code	154020
Bidex-Code	121010
DST-Code	1E01
SB-Article	No
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	14.2 kg

Technical Data

Battery capacity	400.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Child Seat Approval	no
Colour designation	rustred matt / terra matt
Condition	used
Drive	chain

Drive system	BOSCH Performance Line SX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Frame height	51 cm
Frame shape	diamond
Frame size	L
Gears	12-speed
Gender	gents
Main colour	red
Material	carbon
Model range	Nyvon
Paint damage	Fork
Permissible system weight	130 kg
Refurbished	yes
Secondary colour	yellow
Shifting name	12-Gang SRAM "Force AXS"
Shifting type	derailleur shifting
Special feature	Paint damage
Support	up to 25km/h
Trailer Approval	no
Transmission	1x 12-speed
Type	allroad
Wheel size	28 "
