

VICTORIA Electric trekking bike "eManufaktur 11.7" Mod. 22

wave, 28", dark night metallic, 5-speed SHIMANO "Nexus" freewheel, 54 cm / L

Price: €2,580.00

Sporty & powerful touring companion The VICTORIA "eManufaktur" series offers everyday and touring pedelecs with a particularly attractive frame shape. New for this season is the "eManufaktur 11.7" as an entry-level model with hub gears, in which the BOSCH "PowerTube 500" Battery is fully integrated in the down tube of the hydroformed aluminum frame and thus ensures a sporty, tidy appearance. Thanks to the length adapter, it can also be converted to the more powerful "PowerTube 625". The high-torque BOSCH "Performance" engine is installed for a balanced and natural riding experience. It offers optimum support for every situation and does not falter even in hilly terrain. Shifters are provided by the 5-speed "Nexus" hub gears from SHIMANO. The SUNTOUR Suspension Fork with 75 mm travel ensures comfort. It compensates for bumpy forest and field paths as well as cobblestone passages with ease. It can also be adjusted to the rider's weight or even locked. The hydraulic Disc Brakes from TEKRO ensure stability and safety. When going downhill, the braking force can be regulated with foresight, but when the going gets tough, it can be just as powerful. The robust, 50 mm wide SCHWALBE "Marathon Plus" tires, the extremely bright 120 lux Front Light and the Rear Light including stop light function round off the overall touring package. The RACKTIME Carrier is compatible with all standard bags and baskets that have this click system. The panniers can also be mounted on the second, lower Stay on the carrier for a better center of gravity and therefore more agile handling.

Basic Data

Supplier Article Number:	BK22HV0060
EAN	4251507984065
MSRP:	€3,599.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	28.6 kg

Technical Data

Access height	410 mm
Battery capacity	500.0 Wh
Bosch Smart System	no
Brake system	hydraulic disc brake

Chainstay	483 mm
Colour designation	dark night metallic
Drive	chain
Drive system	BOSCH Performance Line
Drive version	middle motor
