

## VICTORIA Electric full suspension "eParcours 12.8" Mod. 22

wave, 27,5", good grey matt, 1x10-speed SHIMANO "Deore", 51 cm / M

**Price: €3,480.00**

Full suspension cross-country With "eParcours", VICTORIA is offering a completely new cross-over series which, compared to the "eAdventure" series, has air-sprung front and rear suspension and thus takes comfort even further. The "eParcours 12.8" is the entry-level model. This already manages the perfect balancing act between trekking bike and MTBs and is rightly considered to be the most dynamic of all VICTORIA pedelecs to date. Comfort, for which the brand stands, also plays a major role in the "eParcours 12.8". The suspension Fork and Seatposts in combination with the 60 mm wide SCHWALBE "AL Ground" tires provide optimum grip even on unpaved paths. The sporty BOSCH "Performance CX" mid-motor guarantees full support with 85 Nm torque. Even on steep uphill stretches, it motivates you up to 25 km/h. It is powered by the BOSCH "PowerTube" Battery with 625 Wh, which is fully integrated into the frame. The SHIMANO ten-speed "Deore" derailleur gears round off the drive package of the "eParcours 12.8". The gear ratios and gear steps are designed for steep climbs and fast descents on varied terrain. Large hydraulic disc brakes (203/180 mm), also from SHIMANO, ensure the right level of safety.

### Basic Data

Supplier Article Number:	KHA22240
EAN	4251507987356
MSRP:	€3,999.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.9 kg

### Technical Data

Access height	437 mm
Battery capacity	625.0 Wh
