

## VICTORIA City bike "Classic 1.3" Mod. 22

deep, 26", stealth grey metallic, 3-speed SHIMANO "Nexus" coaster brake, 45 cm / S

**Price: €405.00**

With a classic on tourThe "Classic 1.3" has well earned its name, because it has everything that makes a classic city bike. It starts the new season with a subtle makeover with now minimalist brand lettering without alienating the classic appearance. In an upright position and with a low step-through, the "Classic 1.3" is comfortably designed for rides through town and country. The SHIMANO "Nexus" internal gear hub with its three gears offers a solid portfolio to get ahead. The coaster brake plus the V-brakes provide the necessary level of safety, as do the LED front light and rear light. The latter convinces with its parking light function, where the light still glows a bit after the end of the ride. The bike only really becomes suitable for city use with its luggage carrier, which can be loaded with up to 25kg. That's enough to transport your weekly shopping. The fenders also keep dirt and splash water out, so you can use the bike well even in the rain. The "Classic 1.3" is stable thanks to the rigid fork.
