

## VICTORIA Trekking bike "Trekking 2.9" Mod. 22

wave, 28", azalea pearl, 2x8-speed SHIMANO "Altus", 51 cm / M

**Price: €595.00**

Comfortably through everyday life Whether it is the extensive tour on the weekend, the crisp round after work or the trip to the shops - the "Trekking 2.9" is available for all activities. New is the 16-speed "Altus" derailleurs from SHIMANO, which has a wide range for both steep climbs and fast sprints in smooth terrain to offer. The bike achieves the usual high VICTORIA comfort standard through the suspended fork. If it's to the coffee date over cobblestones in the old town, this plays together with the wide SCHWALBE tires their strength: damping comfort. The powerful hydraulic disc brakes always respond reliably - even in wet conditions. The solid lighting makes the "Trekking 2.9" only suitable for road traffic. In front, a 30 lux bright LED headlight solidly illuminates the way. The rear light convinces above all with its parking light function, whereby it continues to shine for a while even when stationary. Last but not least, there is the new design, which makes the city and trekking bike an eye-catcher. The fresh combination with the reduced VICTORIA lettering makes the bike modern and clean at the same time.

### Basic Data

Supplier Article Number:	87120030900
EAN	4251507989329
MSRP:	€599.95
Bidex-Code	102010
Fedas-Code	155011
SB-Article	No
DST-Code	1B00
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	18.2 kg

### Technical Data
