

BRENNABOR Electric trekking bike "T-20e" Mod. 22

deep, 28", grey matt / black matt, 7-speed SHIMANO "Nexus" coaster brake, 55 cm / L

Price: €1,620.00

Simply get on & ride it! The "T-20e" is the entry into the world of electric city bikes from BRENNABOR. With its wave frame and upright seating position, the bike is fully designed for comfort when riding through the city or on short weekend tours through the countryside. Simply get on and start to ride! The "Active Line" mid-motor from BOSCH provides the optimum support for these purposes. With four riding modes, it provides support at up to 25 km/h - with a gentle or powerful boost depending on the support level. It receives energy from the 300 Wh battery. The 7-speed IGH from SHIMANO provides support with a solid portfolio for the right cadence at all times. The hydraulic rim brakes can be operated very smoothly with little effort to slow down when necessary. The classic coaster brake is also there for this purpose. The suspension fork smoothes out any bumps so that you don't have to sacrifice comfort on cobblestones and dirt tracks. To maximise its strengths, it can be individually adjusted to the rider's weight and has good reserves with 63mm travel. Finally, the "T-20e" is really fit for everyday use thanks to the fenders, which protect it against mud and splash water, the pannier rack, which has space for panniers loaded with shopping, and the LED front light, which brightly illuminates the path through the dark.

Basic Data

Supplier Article Number:	22083012
EAN	4251507971577
MSRP:	€1,899.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	26.8 kg

Technical Data

Battery capacity	300.0 Wh
Bosch Smart System	no
Brake system	coaster brake , hydraulic rim brake
