

## BRENNABOR Electric trekking bike "T-24e" Mod. 22

deep, 28", grey matt / black matt, 7-speed SHIMANO "Nexus" coaster brake, 55 cm / L

**RRP €2,449.00**

Comfortable & upright The "T-24e" from BRENNABOR represents an entry-level e-bike. If you like comfort and an upright riding position, then this is the right model for you. Add to this the wave frame with low entry and the "T-24e" is ready for tours across the country or just short rides through the city. The "Active Line" drive from BOSCH supports you with full power up to 25 km/h - whether with a powerful boost or a more gentle one, you can set this via the display in the cockpit. The clever positioning on the bottom bracket also ensures a natural riding experience. The motor is powered by the 400 Wh rack battery. The 7-speed IGH from SHIMANO provides support and ensures the right cadence. The hydraulic rim brakes, on the other hand, are there to brake the "T-24e" with pinpoint accuracy. The fork with its 63mm travel ensures a high level of comfort on all trails. To maximise its strengths, it can be individually adjusted to the rider's body weight - so it levels out any unevenness on cobblestones or forest paths. Fenders, a pannier rack and LED lights make the "T-24e" an e-bike for every day. You can also carry snacks for a picnic by the lake in bags on the pannier rack and the front light brightly illuminates the way home after sunset.

### Basic Data

Supplier Article Number:	22083032
EAN	4251507971638
MSRP:	€2,449.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	26.9 kg
