

BRENNABOR Electric trekking bike "T-34e" Mod. 22

deep, 28", traffic black matt / warm red matt, SHIMANO "Nexus" coaster brake, 50 cm / M

Price: €1,900.00

Cruise comfortably through everyday life if you are looking for an affordable e-bike that is designed for full performance, then the new "T-34e" is just right for you. This e-bike offers a comfortable ride on tours through the countryside or simply to the supermarket a few streets away. The comfort concept starts with the low entry. BRENNABOR has designed the bike exclusively with a wave frame - simple and comfortable for everyone. The centrepiece of the e-bike is the drive, consisting of the harmonious "Active Line Plus" motor from BOSCH and the tried-and-tested SHIMANO "Nexus" 8-speed IGH with coaster brake. on the "T-34e". The motor is powered by the 400 Wh "PowerPack", which is located on the down tube. The motor and battery set the centre of gravity with their low and central position, which allows the e-bike to ride naturally. The developers at BRENNABOR have chosen the powerful "BR-MT200" hydraulic disc brakes from SHIMANO for reliable braking. Smooth handling and strong, reliable braking power characterise this variant. The 80mm suspension fork in combination with the 55mm wide tyres take care of the comfort aspect. Together, they provide plenty of cushioning when travelling over bumpy forest paths or cobblestones. The extensive equipment, including fenders and lighting system as well as a system luggage rack that can be loaded with up to 25kg, complies with the German Road Traffic Licensing Regulations (StVZO). A weekly shopping trip or a change of clothes can be easily transported in panniers. The LED front light is powered by the hub dynamo and always lights you up reliably in the dark or in poor visibility.

Basic Data

Supplier Article Number:	22083111
EAN	4251507971836
MSRP:	€2,649.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	26.8 kg

Technical Data
