hardtail, 27,5", rosso red / yellow , 20-speed SHIMANO "Deore", 46 cm / S

RRP €849.95

Agile hardtail with a clean look With KAYZA's "Spodic 8", you are riding a thoroughly solid hardtail with a Suspension Fork and rigid rear. The modern frame, through which all cables now run, is new. With a tidy, clean look and 27.5" wheels, you can race through woods and meadows without a care in the world and even turn off onto the odd single trail. The SUNTOUR Suspension Fork paves the way for you. With its 20 gears, the SHIMANO "Deore" has a wide range for tours with steep climbs and fast descents. The high forces of the hydraulic Disc Brakes can also be finely controlled by SHIMANO. But if necessary, they also grip firmly - just like the SCHWALBE tires with their fine, coarse studs. KAYZA's "Spodic 8" has everything you need for easy riding - and now: Have fun!
