

BRENNABOR Electric trekking bike "T-41e" Mod. 22

deep, 28", caribbean blue / deep blue, 7-speed SHIMANO "Nexus" freewheel, 55 cm / L

RRP €2,649.00

Practical & individualThe "T-41e" from BRENNABOR is an individual and practical way to get through everyday life. The e-bike has everything you need for a trip to the weekly market or a weekend tour - and all in compliance with the German Road Traffic Licensing Regulations (StVZO). The only thing missing is a balanced riding style that motivates you to get on the bike rather than in the car - but you'll find that too with the "T-41e".The "Active Line Plus" mid-motor from BOSCH provides extremely reliable and smooth support. It is also pleasantly quiet. The bike also offers the 7 gears of the SHIMANO "Nexus" hub gear system for fine-tuning the desired cadence. The 400 Wh battery, which is semi-integrated in the down tube, provides the extra distance. With its low and central position and the motor in the bottom bracket area, the bike's centre of gravity is ideal for natural riding characteristics.On top of this, the "T-41e" masters everyday riding with its low fenders for protection against mud and splash water, the system pannier rack for a secure hold for bags and baskets, the powerful and comfortable hydraulic disc brakes and the bright LED front light for everyday riding at any time of day or year.

Basic Data

Supplier Article Number:	22083187
EAN	4251507972024
MSRP:	€2,649.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	27.6 kg
