

## BRENNABOR Electric trekking bike "T-48e" Mod. 22

deep, 28", earth red matt / warm orange matt, 1x10-speed Shimano "Deore Linkglide", 55 cm / L

**Price: €2,160.00**

Moderately sporty with practical features The "T-48e" from BRENNABOR is your faithful companion for everyday shopping trips through the urban jungle, evening sunsets by the lake or even weekend tours. With its moderately sporty geometry, the trekking e-bike is a lot of fun to ride and also impresses with its practical features. Sporty propulsion is provided by the BOSCH "Performance" engine, which sits in the frame just as harmoniously and inconspicuously as the 500 Wh Battery. Both components are positioned centrally and low down, allowing the "T-48e" to be controlled naturally and agilely. The semi-integrated Battery in the down tube is also equipped with a cover flap. The drives provide gentle and quiet pedal assistance up to 25 km/h. Shifters are 8-speed SHIMANO "Nexus" hub gears, which are very robust and low-maintenance thanks to Linkglide technology. The e-bike is ready for everyday use with the sturdy MIK system carrier, the LED Front Light and the low-mounted Fenders. With this equipment, you can use the "T-48e" at any time of day and in any weather. It gets you safely from A to B - and in combination with the Suspension Fork, the ride is also comfortable.

### Basic Data

Supplier Article Number:	22083212
EAN	4251507972130
MSRP:	€2,999.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	27.1 kg
