

BRENNABOR Electric trekking bike "T-66e" Mod. 22

diamond, 28", telegrey matt / strong cool grey matt, 1x10-speed SHIMANO "Deore Linkglide", 60 cm / XL

Price: €2,480.00

Adventure companion Whether for everyday shopping or weekend adventures with lots of luggage in your bags - the "T-66e" from BRENNABOR is there. With modern technology and comfortable features, it accompanies you on new adventures in a classic design. The robust and lightweight aluminum frame fully integrates the drives. It turns all parts into a single unit, as the down tube completely accommodates the battery and the sporty "Performance" engine is located in the bottom bracket area. From a riding point of view, this combination has the advantage that the weight is positioned centrally and low down. The "T-66e" is therefore pleasantly balanced to ride. The BOSCH "PowerTube" battery provides an extra 625 Wh of energy, while the "Performance CX" engine provides a powerful boost uphill or when starting off, depending on the support level. The 12-speed SHIMANO "Deore" derailleur gears with Linkglide technology are there for fine-tuning when shifting gears. This makes it very robust and less susceptible to wear and tear. The hydraulic Disc Brakes bring the bike to a halt in a benevolent, but also spontaneously biting manner - if necessary. The Suspension Fork, which can be adjusted to the rider's weight, the suspension seatposts and the wide tires are responsible for riding comfort. Tours on the "T-66e" can easily last well into the evening hours, as the bright 80 lux Front Light turns the road in front of the bike into daylight. After a weekend in the great outdoors, the panniers no longer just hold your luggage, but also a lot of great memories - the Carrier can take up to 25 kg.

Basic Data

Supplier Article Number:	22083293
EAN	4251507972413
MSRP:	€3,449.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	27.2 kg

Technical Data

Battery capacity	625.0 Wh
Bosch Smart System	no
Brake system	hydraulic disc brake
Colour designation	telegrey matt / strong cool grey matt
