

BRENNABOR Electric SUV "A-82e" Mod. 22

diamond, 27,5", dark brown matt / light brown matt, 1x10-speed SHIMANO "Deore", 56 cm / L

RRP €3,549.00

High-quality equipment at an entry-level price "A" stands for the Allroad/SUV class at BRENNABOR. The "A-82e" provides a confident but high quality entry into this range, making it easy to roll over tarmac, mountains are no challenge and the direct route across country is absolutely no challenge. SUV e-bikes are made for versatile use on rough surfaces, loose gravel tracks and smooth tarmac. The BOSCH "Performance CX" motor, with four riding modes that can be selected via the "Purion" display in the cockpit, provides a powerful boost. It is supplied with sufficient energy via the 500 Wh battery, which is fully integrated into the down tube of the aluminium frame. The gears are there for fine-tuning. The SHIMANO 10-speed "Deore" impresses with precise gear and high quality shifting - the upper middle class of MTB groupsets from Japan. The 100 mm suspension fork turns the "A-82e" into a real all-terrain bike - especially in combination with the profiled 58mm wide CONTINENTAL tyres. The suspension seatpost provides even more comfort. With its versatility, the "A-82e" is comprehensively equipped for everyday city life. This includes fenders, the LED lighting system and reflectors. Not forgetting the brakes: the developers opted for hydraulic disc brakes from SHIMANO, which are not only practical in the city, but always and everywhere - just like the "A-82e".

Basic Data

Supplier Article Number:	22083431
EAN	4251507972567
MSRP:	€3,549.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	BRENNABOR
Unit of measure:	PIECE
Weight	27.7 kg

Technical Data

Battery capacity	500.0 Wh
Bosch Smart System	no
Brake system	hydraulic disc brake
Colour designation	dark brown matt / light brown matt
Drive	chain
Drive system	BOSCH Performance Line CX

Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	electronic sliding aid , fender , suspension fork , system carrier
Frame height	56 cm
Frame shape	diamond
Frame size	L
Gears	10-speed
Gender	gents
Main colour	brown
Material 1	aluminium
Model range	A-80
Permissible system weight	140 kg
Secondary colour	beige
Shifting name	1x10-Gang SHIMANO "Deore"
Shifting type	derailleur shifting
Support	up to 25km/h
Transmission	1x 10-speed
Travel	100 mm
Type	SUV
Wheel size	27,5 "
