

atranvelo Carrier "Tour Lite BS 28 AVS"

black

dimensions (LxWxH): 230 x 120 x 360mm

Price: €16.15

Versatile & strong Whether on tour, the daily commute or on the way to the shops, the Tour Lite BS 28 AVS Carrier from ATRANVELO is versatile and can be used on 28-wheelers. It is attached to the rear stays of your bike (the material for fastening is included in the scope of delivery). The aluminum tubes have a diameter of ten millimeters, which gives the Carrier good stability. Thanks to the ATRANVELO transport system, bags and baskets can be attached to the carrier without tools using the appropriate adapter, even on the lower pannier stays. This mounting method improves the luggage's center of gravity, which in turn ensures better riding characteristics. The stainless steel Spring Clamp allows loose items such as a picnic blanket to be transported safely. Reflectors and a maximum load capacity of 27 kg round off the character of this Carrier. Net weight: 705 g.

Basic Data

Supplier Article Number:	1488-7122/1488-7-360
EAN	7350006381836
MSRP:	€31.95
SB-Article	Yes
Bidex-Code	208050
Fedas-Code	160521
DST-Code	2006
