

atranvelo Carrier "Tour Lite BS 26/29" AVS"

black

Price: €20.19

Adjustable Rear Wheel CarrierThe Tour Lite BS 26-29 AVS is a stable Touring Carrier with 10 mm thick aluminum tubes, which is attached to the rear stays of the bike. The adjustable carrier fits 26 to 29 wheels. As the carrier is already equipped with the ATRANVELO transport system, bags and baskets can be mounted without tools using the appropriate adapter, even on the lower pannier stays. This mounting method improves the luggage's center of gravity, which in turn ensures better riding characteristics. The stainless steel Spring Clamp can be used to safely transport loose items such as a ball or picnic blanket. A reflector holder and a maximum load capacity of 25 kg round off the character of this Carrier. Net weight: 760 g.

Basic Data

Supplier Article Number:	1480BS-7122
EAN	7350006381812
MSRP:	€39.95
Bidex-Code	208050
