

atranvelo Carrier Bag "Zap AVS"

grey / black

RRP: €74.95

Folding ATRANVELO carrier bagWhether as a practical helper when transporting shopping or on tours: ATRANVELO's Zap AVS Carrier Bag holds 10.5 liters and can be expanded by a total of eight liters thanks to the fold-out side pockets. There is a tension cord on the cover of the water-repellent bag that can be used to attach your jackets. On tours, it is a good addition to the pannier system, as the Zap AVS has a pre-mounted AVS adapter and can be attached to the AVS system carrier together with the single bags from the same series. With the Shoulder Belt or the hand strap, the Bag can be taken into the café when you are resting. For better visibility in traffic, the reflective strap loop offers the option of attaching a rear light. Weight: 880 g.

Basic Data

Supplier Article Number:	1805-30-50/1755-Z-10
EAN	7350006380525
MSRP:	€74.95
Bidex-Code	301410
Fedas-Code	160850
SB-Article	No
DST-Code	2G08
Brand/Supplier	atranvelo
Unit of measure:	PIECE
Weight	0.88 kg

Technical Data

Design	trunk bag
Height	20.0 cm
Length	33.0 cm
