Reach your destination in styleThe BASIL "Mosse Women" rain trousers keep cyclists dry on all bike rides. The rain trousers have a windproof and waterproof (5,000 WP) coated fabric that repels rain. At the same time, the fabric is also breathable (5,000 MVP) so that moisture is wicked away to the outside.For a comfortable fit and freedom of movement, the trousers have an elastic waistband, ergonomically shaped knees and Velcro-adjustable trouser legs. The "Mosse" is easy to put on thanks to the 50 cm long side zippers, which are also lined to prevent water from penetrating. After a ride in the rain, the trousers can be easily suspended from the practical loop. The rain trousers have reflective elements, an integrated bag and also overlap at the shoes - for additional rain protection.
