RRP: €74.99

Windproof, waterproof and breathableThe BASIL "Hoga Unisex" bike rain jacket gets bikers to their destination dry. With windproof and waterproof (5,000 WP) T-Fabric fabric, it keeps the rain out with ease, which simply rolls off thanks to the DWR coating. The zipper and rubber cuffs on the sleeves also keep the water out. The fabric of the Hoga Unisex is also breathable (5,000 MVP) for comfort on long journeys and to keep the jacket dry on the inside. Furthermore, additional ventilation at the back ensures that moisture is wicked away. The hood has cut-outs at the sides and is adjustable for optimum visibility. The tone-on-tone reflective surfaces make the Hoga highly visible even in the dark. The Hoga Unisex is available in many paints and comes with a Storage Bag.
