size L, jet black

RRP: €59.99

Rain protection for everyone on all toursThe BASIL "Hoga Unisex" cycling rain trousers are designed for both men and women and are suitable for all types of cycling tours in changeable weather. The T-Fabric fabric makes the Trousers wind and waterproof (5000 WP) and breathable (5000 MVP). The elastic waistband and adjustable trouser legs contribute to an optimum fit and comfort. This also applies to the 40 cm long side zipper when putting on and taking off. The trouser legs also overlap a little over the shoes at the bottom. The reflective surfaces increase visibility in the dark. The Basil Hoga bike rain trousers have a loop for suspension and come with a bag.
