

## BASIL Schoolbag Basket "Cento S"

white

**RRP €27.99**

The convenient solution for school bags & co. Practical and stylish: the "Cento S" is a school bag basket made of close-meshed steel from BASIL. It has a sturdy frame and offers plenty of comfort while cycling. It is ideal for saving children from having to carry a heavy school bag on their backs. But this bike basket not only has many advantages for schoolchildren. For example, it is also great for shopping when it comes to carrying shopping bags safely on the bike. Measuring 36 x 26 x 18 cm, this smaller "S" version also offers enough space for this. The Basket can be quickly and easily mounted lengthways on the Carrier using the fastening material supplied. This designer basket scores points for its high quality, tasteful design and weather resistance. So it's no problem if you leave your bike outside with the BASIL basket mounted from time to time.
