With a capacity of 26 liters, there is plenty of storage space to transport things on your bike. This double pannier is therefore ideal for shopping, but is also indispensable if you decide to go on a bike ride. The double pannier is well rounded so that you don't bump into it with your heel. It is also made of water-repellent 600D polyester. This means that the double pannier is splash-proof. The extra reinforcement and 2 zippered side compartments give this pannier a modern yet luxurious look. Furthermore, the Cover of the Bag is provided with "Soft Filling". Thanks to the double reflective strips, you will always stand out in the dark. The recesses at the top and the rounded front mean that the double pannier fits on any bike. It also takes into account any lashing straps, LED lighting or a child seat.
