

BASIL Basket "Cento MIK"

black

RRP €57.99

Comfort & easy to attach This BASIL bike basket is made of fine-mesh steel and offers comfort when cycling. The "Cento MIK" is available in an elegant, matt black. The practical baskets make it easy to transport your school bag, for example. However, the bike basket is not only a solution for schoolchildren and students, but also for shopping. With the MIK Adapter Plate, you can attach this bike basket in just one second. If your Carrier does not have an integrated MIK system, you can use the "Cento" Basket with pre-mounted Adapter Plate in combination with the MIK Carrier Plate. This can be easily mounted on the Carrier. Removing the baskets is also very quick. With the MIK system, replacing the basket is extremely easy. This is particularly practical if you want to take the baskets to school or to the store. You can also use the integrated keys to protect the "Cento" and other MIK accessories against thieves.
