

## BASIL Adapter Plate "MIK"

black

**Price: €12.47**

Attach bags & baskets in seconds Thanks to the "MIK" adapter plate from BASIL, you can simply click your bike baskets or panniers onto the back of your bike or e-bike if it has a Carrier with integrated MIK system or a MIK carrier plate. With this Adapter Plate, you can attach and carry many types of accessories from multiple brands in seconds. Removing and taking these parts with you is also incredibly quick thanks to the MIK adapter plate. The MIK system fits almost all Carriers. The MIK Adapter Plate is used in combination with a Carrier that has the MIK system. If you do not (yet) have a bike with a Carrier that has the MIK system, you can use the MIK carrier plate. You can then easily mount the MIK carrier plate on your Carrier.
