

BASIL Bag "Sport Design"

black

RRP: €24.99

Practical & useful for the bikeWith the "Sport Design Frame Bag", BASIL presents a practical bag that can be attached to the frame of a men's or women's bike. Do you swingarms on your bike every day on the way to school or work, or do you simply find it pleasant to go on long bike rides in your neighborhood? With the "Sport Design" frame bag, you can easily take your smartphone with you, for example. It helps to ensure that your smartphone is not damaged. The frame bag is made of water-repellent polyester and can be attached to the frame using a Velcro fastener. It has a main compartment with an inner mesh pocket and also has an easy-to-use window for your smartphone. There is also an opening for headphones, ideal if you want to listen to music during your bike ride.A rain cover provides extra protection against heavy rain showers. Additional reflective details also provide more safety when cycling. In short: the "Sport Design" frame bag from BASIL is a practical and valuable accessory for your bike.
