

BASIL Carrier Bag "Sport Design"

graphite

RRP €74.99

Versatile & well organizedThe "Sport Design Trunkbag" is a versatile carrier bag that is suitable for both conventional bikes and e-bikes. This bike bag is an asset for anyone who enjoys long bike rides. You can carry a lot of things in it, such as water bottles or a bike map. Of course, the Bag also offers optimum protection for a smartphone, for example. This prevents it from falling out of your Trousers or skirt pocket. With a volume of 7 to 12 l, there is definitely enough space for the essentials. The outside of the bag is made of water-repellent polyester, while a sturdy inner lining speaks for the quality of this bike bag. The Bag has various compartments and the expandable side compartments have a zipper. This is very practical if you want to keep an overview of your things. The carrier bag also has both a handles / grips and a detachable Shoulder Belt. This makes it easy to take anywhere. The reflective material also ensures that you are always clearly visible. You also have the option of attaching LED lighting to the Carrier.
