

BASIL Backpack "Miles"

incl. Nordlicht LED light, 1160g

RRP: €109.99

Two in oneBackpack or pannier - the choice is yours! The Miles bike backpack from BASIL can do both. On the one hand, it can be carried comfortably on your back. On the other hand, it is equipped with the practical hook-on system and can therefore be easily attached to the Carrier.The backpack is made from waterproof Tarpaulin and can therefore withstand heavy rain showers. The roll closure with Press Button provides additional support. If the two carrying options are not enough for you, you can hang the bag loosely over your shoulder with the detachable strap. Or you can simply hold it by the handle. The Bag is equipped with reflective applications to make you more visible in traffic. Small loops offer the option of attaching additional LED Lights. The Miles is optionally available with battery-operated LED light strips from BASIL's Nordlicht Technology.
