

bobike Child Seat "Exclusive Tour BD"

"Safari Chic", frame: brown / cream, cushion: cream

Price: €70.36

Exclusive comfort on tourThe BOBIKE "Tour Exclusive BD" is made for families who like to go on tour together as well as on their everyday bike rides. It is designed for long-distance use and is a loyal companion. This seat is suitable for children as soon as they can sit stably on their own. This is from around nine months (if in doubt, please ask a doctor). It can hold a maximum of 22 kilos. The backrest, which also has an adjustable side Headrest, is designed with a recess so that the child can also sit comfortably in the Tour Exclusive BD when wearing a helmets. The new five-point harness and LED Rear Light offer increased safety. The upper part of the harness is semi-circular to keep the child in the best possible position. Parents can easily adjust and operate them and the safety buckle with one hand. The height of the footrests with side spoke protectors can also be adjusted without tools. As the rear carrier is equipped with an adapter for luggage carrier mounting, it can be easily mounted from one parent bike to the other. It is simply clicked onto the Carrier (Carrier according to ISO 11243, please ask your specialist dealer) with a width between 120 and 175 mm and a tube diameter between 10 and 16 mm. The "Tour Exclusive BD" complies with the EN 14344 safety standard and is TÜV and GS tested.
