

bollé Helmet "Stance JR"

matte camo, size S (51-55cm)

Price: €27.00

Helmet for youngstersThe "Stance JR" for children and teenagers has many of the same fine features as the "Stance", but the fresh paints are definitely different. The reflective straps and stickers on the back also attract attention. The helmets also have an optional LED Rear Light. The mesh lining in the ventilation openings is practical, as it prevents insects from getting between the Helmet and head while riding. The openings are arranged in such a way that the airflow can cool the head well. BOLLÉ's "Click-to-Fit" system ensures that the "Stance JR" can be easily and precisely adjusted every time it is put on. The inner lining can be removed and washed. BOLLÉ offers a winter and a summer lining to suit the temperature.
