

Bone collection Smartphone Bracket "Bike Tie Pro 2"

black

RRP: €22.95

Cell phone holder for the StemThe "Bike Tie Pro 2" Smartphone Bracket is from BONE COLLECTION and has been specially designed for mounting on the bicycle stem.It is made of shock-absorbing silicone and prevents scratches on your cell phone. The phone holder is suitable for smartphones from 4" to 6.5" inches, making it universal for all smartphone brands. At 45 g, the weight is very low and won't get in the way on any bike tour. On the contrary, as your phone is attached centrally to the Stem, you have a quick view and access to your smartphone and apps. The Bracket is also Face ID compatible. The exact dimensions are (D x W x H): 40 x 65 x 133 mm. The silicone used in its manufacture is completely environmentally friendly, dirt-repellent and easy to wash. Another advantage of the "Bike Tie Pro 2" is that it has no moving parts that could wear out, has been awarded the iF Design Prize 2016, is extremely resilient and safe. Thanks to a patented Fastening Belt for the Stem of the bikes, which is very easy to mount.
