

AXA Dynamo "HR-Traction Power Control"

Right-hand extension, loose

RRP: €33.95

For more illuminationThe "HR Traction Power Control" from AXA is one of the best-known side dynamos on the market. Equipped with modern technology and an extra-large Drive Wheel, this Dynamo effortlessly delivers more illumination. The double bronze alloy and stainless steel shaft ensure a particularly long service life. If your Drive Wheel wears out after years of use, it can be easily replaced. This Dynamo also has an overvoltage diode so that too much current is never transferred to your front or rear lights. The lamps are thus protected from burning out.
