

AXA Front Light "Pico 30"

"Switch", with switch for hub dynamo, workshop box with 10 pieces (9 products bulk and 1 self-service package)

RRP €229.50

Little powerhouseThe "Pico 30" from AXA is a mini power pack with a light intensity of 30 lux. With the light beam of this Front Light, you can see 50 m and be seen by other road users at a distance of up to 3 km. Its compact and slim design is an asset for sporty bikes. The Front Light offers an integrated retroreflector and optimum light distribution. Both functions have been specially developed to increase your safety. They make you more visible to oncoming traffic and give you a good view of the road ahead. The robust stainless steel bar is suitable for any type of road, but can also be replaced with a bar for integration on standard front forks. The Front Light is also available with a parking light function ("Steady"). With this parking light, your lamps will continue to shine for 4 minutes when stationary. The "Pico 30" is also optionally available with an automatic switch-on function ("Auto") using a light/dark sensor. This switches the front light on and off automatically.

Basic Data

Supplier Article Number:	93917295WS
MSRP:	€229.50
SB-Article	Yes
