

AXA Plug-in Chain "Newton"

150cm long

Price: €13.29

Extra ProtectionThe AXA "Newton" plug-in cable is used in combination with various ring locks from AXA. Thanks to its very compact dimensions and universal Frame Bracket, the "Newton" Plug-in Chain is easy to use and store. The chic, matt finish of the cable cover looks classy and blends in perfectly with any bike. The "Newton" Plug In offers additional protection against theft because your bike is anchored to a fixed object, such as a street lamp, bike stand or fence.
