

AXA Frame and Battery Lock Set "Block XXL"

Intube Battery

RRP €67.95

Block XXL frame locks from AXA Are you looking for a sturdy lock for your daily commute on your city bike? The Block XXL frame locks from AXA are made for this. Because it is firmly mounted on the frame, you always have it with you to lock your bike "just in case" in front of the bakery. A Riegler slides through the spokes of the rear wheels and thus serves as an immobilizer. The frame locks can be locked with a key, which you can also remove and store elsewhere. Steel and plastic are the materials used in the manufacture of the Block XXL.
