

AXA Frame and Battery Lock Set "Defender"

carrier-battery, removable key

RRP: €67.95

Everything secured: fast & reliableThe "Defender" from AXA is a high-quality frame locks with an innovative design. In this set, it is supplied together with a keyed alike lock for a 2nd generation Bosch e-bike battery. The ring lock offers optimum security thanks to the anti-drill cylinder and hardened steel shackle. The easy-to-fit Battery Lock also provides reliable protection against theft.The practical folding key with online key service, which AXA uses to provide a quick remedy if the key is lost, offers a great deal of convenience. The ergonomic operating button on the frame locks is also convenient.There is also the option of plugging a plug-in cable or chain into the side of the lock. This allows the bike to be connected to a fixed object for maximum security.
