

AXA U-lock "Newton Pro U-Lock"

black

Price: €30.19

The powerhouse against thievesThe "Newton Pro" from AXA is the powerhouse in the U-locks range. With stylish stainless steel details, easy to carry and approved for securing both bikes and light motorcycles.The U-locks have a modern design and are made of hardened steel. The bar has a diameter of 17 mm. The anti-drill cylinder is equipped with a manual covering cap to protect it from moisture and dirt. This optimizes the service life of your locks.At 190 mm long, the bar is long enough to pass through a bike or to secure your bike to a fixed object. The supplied bracket is easy to mount on the frame and ensures convenient transportation of the U-locks.The "Newton Pro" is supplied with 2 keys as standard. You also benefit from an international online key service if you lose your keys.
