

## AXA Combination Cable Lock "Newton"

matt black

**Price: €8.99**

Simple, good & secureThe "Newton" is a modern cable locks, ideal for short-term use or as additional protection for your bike. The highlight: you can choose the four-digit combination yourself. It is held on the bike by the supplied Frame Bracket, which is the same for all "Newton" cable types. The "Newton" locks from AXA are characterized by chic stainless steel details and the luxurious, matt finish of the cable sheath.
