

AXA Chain Link "Newton"

85cm long, black

RRP: €24.95

Uncomplicated everyday lockThe "Newton" chain lock from AXA is a chain for everyday use, particularly suitable for parking your bike for short to medium periods or as a second lock. This chain lock has excellent quality when it comes to the cutting strength of the chain links, as they are made from hardened steel.The "Newton" uses a practical integrated lock head with automatic click-in function. This means that you do not have to turn the keys to lock the Lock.The "Newton" model comes with 2 keys and you can reorder a spare key at any time via the international online key service.This chain features chic stainless steel details, which will enhance any bike. The strong polyester cover ensures that your bike is protected from any damage
