

britax römer Bracket

suitable up to Ø 40mm frame tube, # 28051010

RRP: €47.95

The child seat holder from BRITAX RÖMEROne thing is certain: when your child is sitting on the back of the bike, they should be as secure as possible - regardless of whether they are riding with you or your partner.With the secondary bracket, both the BRITAX RÖMER "Jockey Comfort" and the "Jockey Comfort" child seats can be easily and conveniently transferred from one bike to the other. The Holder is identical to the one supplied with the child seats.The Child Seat is quickly and easily swapped and one of you can take over the precious little cargo.
