

Busch + Müller Front Light "Lumotec N2"

With Shifter for Hub Dynamo, SB-packed

Price: €10.09

Experience cycling at night with the BUSCH & MÜLLER "Lumotec N2" halogen front lights. With a solid 17 lux brightness, it lights your way through the twilight. The integrated reflectors additionally increase your visibility, while the intelligent technology ensures that the Front Light does not dazzle you from above. Your safety comes first, and the "Lumotec N2" does justice to this thanks to its high reflection values. The Front Light is also protected against unexpectedly high voltage peaks with its integrated Overvoltage Protector. The rust-free construction ensures long-lasting quality, even under adverse weather conditions. Thanks to a 2-core cable for the Dynamo connection, installing the Front Light is child's play.
