

Busch + Müller Front Light "Lumotec Dopp"

"N plus", with switch for hub dynamo, with standlight function, self-service package

Price: €12.11

The BUSCH & MÜLLER LED Front Light "Lumotec Dopp N plus" is a solid front light that illuminates your tours through the dark. With a luminosity of 35 lux, the Front Light provides bright and clear illumination of the road ahead, making your night-time bike rides safer and more enjoyable. A special feature is the rear light outlet, which allows you to connect a rear light that is supplied with enough juice from this Front Light. The additional front reflectors are pluggable and can be used as required. This function and the parking light contribute to the safety of your rides as you are more visible to other road users - both when riding and when Bracketing. The Front Light comes with a stainless steel bracket that ensures a stable attachment to your bike. The supplied Connecting Cable and Shifter for the Hub Dynamo make installation and operation easy and convenient.

Basic Data

Supplier Article Number:	151RNDI-04
EAN	4006021013513
MSRP:	€29.90
