

Busch + Müller Front Light "Lumotec Dopp"

"T senso plus", with switch for hub dynamo, with daytime running LEDs, with automatic switch on via bright-dark sensor, with standlight function, self-service package

Price: €12.11

The BUSCH & MÜLLER LED Front Light "Lumotec Dopp T senso plus" is a solid front light that illuminates your tours through the dark. With a luminosity of 35 lux, the Front Light provides bright and clear illumination of the road ahead, making your night-time bike rides safer and more enjoyable. With integrated daytime running LEDs and an intelligent automatic switch-on function thanks to a light/dark sensor, your bike ride will be safer and more comfortable than ever before. The Sensor ensures that the Front Light is automatically activated as soon as it gets dark - whether due to the time of day or the weather conditions. With parking lights, you will also be noticed in good time when Bracket.
