

BALLISTOL Chain Oil

200ml spray can

RRP €16.95

Premium care for all bicycle components The BALLISTOL "BikeCer" ceramic chain oil contains special ceramic additives and has been specially developed for lubricating chains, cassettes and Sprockets under extreme conditions, but is also suitable for Suspension Forks, Damper, Bowden cables and clipless pedals. It has also proven to be ideal for all e-bike chains. It significantly reduces friction, ensures smooth running behavior, reduces wear and thus increases the service life of the chain. BALLISTOL "BikeCer" provides excellent protection against corrosion, displaces moisture, achieves very high dosing accuracy by foaming when sprayed and prevents dripping. Due to its high adhesive effect, it extends the relubrication time. "BikeCer" is water-resistant, creeps easily and does not resinify. Available as an oil bottle for precise application or as a spray with foaming function for very high dosing accuracy without dripping.

Basic Data

Supplier Article Number:	28059
EAN	4017777280593
MSRP:	€16.95
Bidex-Code	309030
SB-Article	No
DST-Code	2N08
Fedas-Code	160965
Brand/Supplier	BALLISTOL
Unit of measure:	PIECE
Weight	0.178 kg

Technical Data

Container type	spray can
Content	0.2 l
Range of application	bike
Type	care , lubricant
Variant	Article
