

CICLOSPORT Bike Computer "Protos 105"

red

Price: €9.99

Simply everything at a glanceThe "Protos 105" from CICLOSPORT is perfect for anyone who wants a simple bike computer with a clear display. After the initial settings and car publishing of the cables, there is nothing more to adjust on the "Protos 105", it shows all data - speed, riding time, distance and total distance - permanently on the four-line Display. And that's why the bike computer doesn't need any Tasters. Including flat battery CR2032.
