

CONDURA Tube

Schrader valve (AV) 40mm

Price: €2.51

Ready for any adventure! Do you need a reliable tube for your child's bike? The Condura Tube 20" is the perfect choice! The Condura Tube 20" with Schrader valve (AV) and a valve length of 40 mm offers everything a child needs for a safe and comfortable ride. This high-quality tube has been specially developed for children's bikes and impresses with its durability and puncture resistance. The Dunlop valves make inflation quick and easy, so your child will be ready to go in no time at all. Whether on the way to school or on exciting excursions - with the Condura Tube, your child is always well equipped.
