

CONDURA Tube

Dunlop valve (DV) 40mm

Price: €2.51

Riding fun at the highest level! Are you looking for a reliable tube for your child's bike? The Condura Tube 24" is the perfect choice for you! The Condura 24" tube with Dunlop valves (DV) and a valve length of 40 mm offers everything your little one needs for a safe and comfortable ride. This high-quality tube has been specially developed for children's bikes and impresses with its durability and puncture resistance. The Dunlop valves make inflation quick and easy, so your child will be ready to go in no time at all. Whether on the way to school or on exciting excursions - with the Condura Tube, your child is always well equipped.
