Schrader valve 40mm workshop package, delivery only in packaging unit (50pcs.), bulk

Price: €2.86

CONTINENTAL Tour 28 AllIt can be seen on the bike, and yet every bike needs (at least) two of its kind: the inner tube. The tube must fit! You can tell which size Tube is the right one by looking at the sidewall of most Tires. The first two digits of the ETRTO measurement indicate the tire width, while the following digits indicate the inner diameter of the tire in mm. The Tour 28 All covers numerous widths for 27" and 28" tires. The Tour 28 All has a 40 mm Schrader AV valve.
